

ARGUMENTS/REMARKS

Applicants would like to thank the examiner for the careful consideration given the present application. The application has been carefully reviewed in light of the Office action and interview, and amended as necessary to put the case in a condition for allowance.

Claims 1-24 and 26-37 remain in this application. Claim 25 is canceled by this amendment. Claims 1-24 and 26-37 have been indicated as being allowed by the Examiner.

Claim 25 was rejected under 35 U.S.C. §103(a) as being unpatentable over Lincke (U.S. 6,253,326) in view of "Wireless Authentication Protocol Wireless Transport Layer Specification" ("WAP WTLS"). Claim 25 has been canceled, making the rejection moot. Accordingly, it is respectfully submitted that the present application is in a condition for allowance and notice to that effect is hereby requested. If it is determined that the application is not in a condition for allowance, the examiner is invited to initiate a telephone interview with the undersigned attorney to expedite prosecution of the present application.

If there are any fees resulting from this communication, please charge same to our Deposit Account No. 16-0820, our Order No. 33544US1.

Respectfully submitted,
PEARNE & GORDON, LLP
